A gripping, unpredictable new serial killer thriller by acclaimed New York Times bestselling author Rebecca Zanetti, perfect for fans of the chilling novels of Kat Martin, Laura Griffin, and Jayne Ann Krentz. “Zanetti is a master.” —Kirkus Reviews
Unswerving: Angus Force is determined to hunt down the serial killer he’d once shot dead—or so he thought. But an anonymous source reports that Lassiter is alive. Force hasn’t slept since, knowing it’s only a matter of time before “the Surgeon” strikes again. And soon, a body is found, bearing Lassiter’s same maniacal MO. It’s just the beginning of a murderous trail blazing through DC and Virginia, right to Force’s backyard . . . Unstoppable: Nari Zhang is the shrink for the ragtag Deep Ops Unit, though she isn’t Force’s shrink—which is a very good thing. Because once they’re thrown together on the case, their attraction is explosive and irresistible. They’ll just have to fight that much harder to keep the heat between them from flaming out of control. But things are about to become far more challenging, and deadly, than they could have imagined . . . Unhinged: Once the killer catches a glimpse of Nari, she becomes his new obsession. She is now the focus point—for both Force and Lassiter—in a dangerous dance for survival . . . “Action-packed...Zanetti still makes time to dig

into her characters' psyches in the midst of the action, adding nuance to the exciting plot." —Publishers Weekly There's no denying destiny . . . For too long, Benjamin Reese has masked his deadly skills and temper with loyalty and humor. A vampire-demon hybrid, he fiercely protects his family, guards his brothers, and destroys the enemy without mercy. But when he discovers one fragile, beautiful blonde—a woman once mated to a Kurjan, no less—every primal instinct he has buried for centuries roars to life. With the mating mark she roused on his hand entwining their fates, no one will prevent him from keeping her safe and making her his, forever . . . Or desire . . . Karma wishes she could remember her last name. Or if she even had one. All she has in this confusing new world is a desperate duty to save the innocent. That means destroying the dark, dangerous, and desirable Benjamin Reese and everything he loves—an impossible task even before his touch arouses a passionate hunger she can't afford. She's certain a deadly enemy watches her every move, but it's not until Benny kisses her that she tastes true danger... Well, except for substituting as the leader for another anger management group, pitching in as a campaign strategist for a prospective sheriff, and babysitting three dogs. Even with such a full life, she can feel the danger around her—a sense that something isn't right. Nightmares harass her, until the real thing comes to life, and only the dark and sexy male sitting in her group can save her. However, with safety comes a price she might not be willing to pay. Raine Maxwell is one of the Maxwells out of Montana, which means he's not only one of the most deadly vampires alive, but his path is set and his mate has been chosen for him. To save him—to continue his line. Unfortunately, his mate is an enhanced human female who has no idea of her abilities, of his species, or of her future. But when her peace is shattered by a break-in and threatening phone calls, it's clear someone back in New York knows where she is. It's time to plan her getaway, and fast—but first, she needs to tie up a few loose ends and find out exactly what the town's sexy cowboy sheriff is hiding. Sheriff Quinn Lodge has enough demons of his own to know when someone's hiding something, and he's determined to uncover what's beneath Juliet's uptight, city-girl exterior—preferably one piece of clothing at a time. But when their chemistry goes from fizzy to full-on explosive, things start getting complicated. How can Juliet stay beneath the covers with Quinn, when doing so means blowing her cover?
