Stuff That Makes a Gay Heart Weep Feb 20 2020 There's nothing they hate more than bad home décor, cheap vodka, and men who take off their shirts but shouldn't (especially when those things happen all at once!). They believe they're unique, yet somehow they're all exactly the same, bitching about Prop 8 and lamenting the sad fact that Bradley Cooper is straight. A day without Bravo TV, disco music, frantic texting, and just the right designer clothes makes them want to off themselves. Well, it's not quite that extreme, but it's definitely Stuff that Makes a Gay Heart Weep. In this laugh-out-loud guide to the dislikes of millions, the author shows in 150 succinct entries that it's just not fair for Caucasians to have all the fun! You are invited to kick back, pour yourself a Ketel One on the rocks, and get lost in the bitchiest bitch-fest west of the West Village and this side of the Castro.

Once a Rocker, Always a Rocker Feb 26 2023 Undoubtedly the most important and successful band to come out of the U.S. of A., Aerosmith remain intact after four decades of down 'n dirty rock 'n' roll. They've been called 'The Bad Boys From Boston' and 'America's Greatest Rock 'N' Roll Band' for a reason. Aerosmith are the best-selling American rock band of all time, having sold over a hundred million albums worldwide. The Boston bad boys have been together for over forty years and like their English heroes, the Rolling Stones, they are still making music and touring well into the 2010s; albeit at a much slower pace than the old days. However, outside of the band Joe Perry has enjoyed a solo career that has attained cult status. Once A Rocker, Always A Rocker explores the original Joe Perry Project, notably the superlative first two albums: Let The Music Do The Talking and I've Got The Rock 'N' Rolls Again as well as 1983's less well-received Once A Rocker, Always A Rocker. Perry restarted his solo career in the noughties with 2005's self-titled album and 2009's Have Guitar, Will Travel and more recently, the 2014 EP, Joe Perry's Merry Christmas. But it's those first two albums that really made an impression. From the author of books on Bon Jovi, Journey and ZZ Top, Once A Rocker, Always A Rocker celebrates Perry's musical legacy and offers titbits of information and trivia about his career as well as a biography, discographies, a timeline, reviews and tributes from leading musicians and respected music writers. There are also previously unseen live photographs of the rock guitar icon. Once A Rocker, Always A Rocker is essential reading for Aerosmith and Joe Perry fans.

Rocks Apr 04 2021 Joe Perry's New York Times bestselling memoir of life in the rock-and-roll band Aerosmith: "An insightful and harrowing roller coaster ride through the career of one of rock and roll's greatest guitarists. Strap yourself in" (Slash). Before the platinum records or the Super Bowl half-time show or the Rock and Roll Hall of Fame, Joe Perry was a boy growing up in small-town Massachusetts. He idolized Jacques Cousteau and built his own diving rig that he used to explore a local lake. He dreamed of becoming a marine biologist. But Perry's neighbors had teenage sons, and those sons had electric guitars, and the noise he heard when they started playing would change his life. The guitar became his passion, an object of lust, an outlet for his restlessness and his rebellious soul. That passion quickly blossomed into an obsession, and he got a band together. One night after a performance he met a brash young musician named Steven Tyler; before long, Aerosmith was born. What happened over the next forty-five years has become the stuff of legend: the knockdown, drag-out, band-splintering fights; the drugs, the booze, the rehab; the packed arenas and timeless hits; the reconciliations and the comebacks. Rocks is an unusually searching memoir of a life that spans from the top of the world to the bottom of the barrel—several times. It is a study of endurance and brotherhood, with Perry providing remarkable candor about Tyler, as well as new insights into their powerful but troubled relationship. It is an insider's portrait of the rock and roll family, featuring everyone from Jimmy Page to Alice Cooper, Bette Midler to Chuck Berry, John Belushi to Al Hirschfeld. It takes us behind the scenes at unbelievable moments such as Joe and Steven's appearance in the movie of Sgt. Pepper's Lonely Hearts Club Band (they

act out the murders of Peter Frampton and the Bee Gees). Full of humor, insight, and brutal honesty about life in and out of one of the biggest bands in the world, *Rocks* is "well-paced, well-plotted...a mini-masterpiece" (The Boston Globe).
