Songs from the Edge of Japan: Music-Making in Yaeyama and Okinawa Mar 17 2020 Since the early 1990s, Okinawan music has experienced an extraordinary boom in popularity throughout Japan. Musicians from this island prefecture in the very south of Japan have found success as performers and recording artists, and have been featured in a number of hit films and television dramas. In particular, the Yaeyama region in the south of Okinawa has long been known as a region rich in performing arts, and Yaeyaman musicians such as BEGIN, Daiku Tetsuhiro, and Natsukawa Rimi have been at the forefront of the recent Okinawan music boom. This popularity of Okinawan music represents only the surface of a diverse and thriving musical culture within modern-day Yaeyama. Traditional music continues to be an

important component of traditional ritual and social life in the islands, while Yaeyama's unique geographical and cultural position at the very edge of Japan have produced varied discourses surrounding issues such as tradition versus modernity, preservation, and cultural identity. *Songs from the Edge of Japan* explores some of the reasons for the high profile of Yaeyaman music in recent years, both inside and outside Yaeyama. Drawing on extensive ethnographic fieldwork carried out since 2000, the book uses interviews, articles from the popular media, musical and lyrical analysis of field and commercial recordings, as well as the author's experiences as a performer of Yaeyaman and Okinawan music, to paint a picture of what it means to perform Yaeyaman music in the 21st century.

The Book of Music and Nature Nov 17 2022 This innovative book and soundscapes, assembled by the editors of the renowned periodical *Terra Nova*, is the first anthology

published on the subject of music and nature. Lush and evocative, yoking together the simplicities and complexities of the world of natural sound and the music inspired by it, this collection includes essays, illustrations, and plenty of sounds and music. *The Book of Music and Nature* celebrates our relationship with natural soundscapes while posing stimulating questions about that very relationship. The book ranges widely, with the interplay of the texts and sounds creating a conversation that readers from all walks of life will find provocative and accessible. The anthology includes classic texts on music and nature by twentieth century masters including John Cage, Hazrat Inayat Khan, Pierre Schaeffer, Rainer Maria Rilke, and Toru Takemitsu. Innovative essays by Brian Eno, Pauline Oliveros, David Toop, Hildegard Westerkamp and Evan Eisenberg also appear. Interspersed throughout are short fictional excerpts by authors Rafi Zabor, Alejo Carpentier, and Junichiro Tanazaki. The audio includes fifteen tracks of music made out of, or reflective of, natural sounds, ranging from Babenzele Pygmy music to Australian butcherbirds, and from Pauline Oliveros to Brian Eno.

The book opens with the musical records of the Old Testament, wherein music is established as an essential part in the divine service of the ancient Hebrews, and as a most cheering ingredient of their social life. The heathen nations of the olden times also recognised the solemn and moral character of music, and used it in their worship and on every festive occasion in public and in the family circle. If hardly

anything of actual music from the most ancient nations has come down to our time, we yet have drawings of some of their instruments, by which we gain some idea of the state of their music. Their poets spoke in rapturous terms of the influence and power of music, and their rulers made laws for preserving music in purity and simplicity. Of the music in the Christian era we have specimens from the early centuries, which accumulate more and more from the nth century through the principal schools of music down to our time. Includes an 8-page section of color artwork from the film! **Music from the Tang Court** Sep 22 2020 A Life in Music from the Soviet Union to Canada Oct 04 2021 The musical career of Alexander Tumanov extends from Stalinist and Soviet Russia through contemporary Canada, and as such provides an inspiring portrait of one person's devotion to his art under trying circumstances. Tumanov was a founding member of Moscow's Madrigal Ensemble of early music, which introduced Renaissance and Baroque music to the Soviet Union. The Ensemble enjoyed tremendous popularity in the 1960s and 1970s, despite occasional official disapproval by the Soviet bureaucracy. At times the compositions of the group's founder, Andrei Volkonsky, were banned. Volkonsky eventually emigrated to escape the oppressive conditions, followed soon after, in 1974, by Tumanov, and the Madrigal Ensemble continued in a changed form under new leaders. The story of the author's subsequent life and career in Canada provides a poignant point of contrast with his

Soviet period — at the musical, academic, and political levels. This book is a valuable resource for those interested in the history of music and intellectual life in Russia, Ukraine, and the Soviet Union in the twentieth century and is the first published book on the Madrigal Ensemble. Underground Music from the Former USSR Feb 08 2022 First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company. Music from the Inside Out Oct 24 2020 "Brings kids inside the world of music by helping them understand what proficient listeners think and feel as they listen to music, and what musicians think and feel as they play music ... Students construct their own understandings of music, first through an exploration of their personal relationship to music, then through a series of listen and talk sessions, and finally, by composing their own pieces and exploring the connections between their lives and the works of music they create ... La Rondine Apr 10 2022 Puccini's non-operatic songs, Arie da camera e da chiesa for voice and piano, have never before been collected--many until now have never been published. They cover the entire span of the composer's life: the earliest was written when Puccini was in his teens, the latest when the composer was in his sixties. Working from musical manuscripts, letters, documents, and other sources, Michael Kaye shows Puccini--whose music is the mainstay of every opera house in the world--in a new light. The words and music of fifteen songs, including little-known music from the operas Edgar and La Rondine, are provided. More than a dozen fascinating--some rare--photographs give an extra dimension to the book. About the Author Michael Kaye received his M.M. in opera from the New England Conservatory. He has served on the artistic staffs of opera companies in Boston, Chicago, Cologne, San Francisco and New York.

Music from the Inside Out Dec 06 2021 Have you ever been devastated by performance anxiety? Have you struggled with physical problems like tendonitis or nodules on your vocal cords? Are you battling with issues of confidence and self-belief? Music from the Inside Out tackles these thorny issues and others, which can profoundly affect musicians and which they may not want to face. Readers are encouraged to look at what lies beneath the surface and guided to unlock what's holding them back. With this book, musicians can:

- Learn how to transform their own inner critic
- Get to grips with their performance nerves
- Discover how to play with complete physical freedom
- Perform to the peak of their expressive power

Music from the Inside Out gives musicians the tools to transform their whole approach to performing music. It is suitable for classical musicians, students, amateurs and professionals. Because of its universal messages, it can cross over into the worlds of jazz, pop and rock; even sport, acting and any other performance-related professions. Author Charlotte Tomlinson has been inspired by a number of books, including The Inner Game of Tennis by W Timothy Gallwey, A

Soprano on Her Head by Eloise Ristad, The Musician's Way by Gerald Klickster and The Art of Practicing by Madeline Bruser.

Music from the Heart Jan 07 2022 Music from the Heart follows Emile Benoit, a fiddler from French Newfoundland, through a rapidly changing musical milieu as he moves from a small rural community to international musical and folk festivals. Seeing himself as a representative of French Newfoundland, Benoit viewed his music as an expression of that identity. In Benoit's tunes one finds reference to the people, places, communities, roads, and natural landmarks that have framed his life. The compositions included represent a range of work that evokes his youthful experiences and follow his career as he leaves home, plays with other musicians, and presents his stories to audiences around the world. Quigley has based his study on years of observation of Benoit's compositional practices, his own experiences performing with Benoit, interviews, and analysis of the thoughts and conceptions of the artist himself.

Popular Music from Vittula Oct 12 2019

Popular Music from Vittula tells the fantastical story of a young boy's unordinary existence, peopled by a visiting African priest, a witch in the heart of the forest, cousins from Missouri, an old Nazi, a beautiful girl with a black Volvo, silent men and tough women, a champion-bicyclist music teacher with a thumb in the middle of his hand—and, not least, on a shiny vinyl disk, the Beatles. The story unfolds in sweltering wood saunas, amidst chain thrashings and gang warfare, learning to play the guitar in the garage, over a traditional wedding meal, on the way to China, during drinking competitions, while learning secret languages, playing ice hockey surrounded by snow drifts, outsmarting mice, discovering girls, staging a first rock concert, peeing in the snow, skiing under a sparkling midnight sky. In the manner of David Mitchell's *Black Swan Green*, Mikael Niemi tells a story of a rural Sweden at once foreign and familiar, as a magical childhood slowly fades with the seasons into adult reality.
