Deliver Us from Evil: Restoring the Soul in a Disintergrating Culture Dec 20 2022 In this

compelling volume, Ravi Zacharias examines the mystery of evil.

Zacharias 2 in 1-Jesus Among Other Gods & Deliver Us from Evil Feb 10 2022 Jesus Among Other Gods: In his most important work to date, apologetics scholar and popular speaker Ravi Zacharias shows how the blueprint for life and death itself is found in a true understanding of Jesus. With a simple yet penetrating style, Zacharias uses rich illustrations to celebrate the power of Jesus Christ to transform lives. Jesus Among Other Gods contrasts the truth of Jesus with founders of Islam, Hinduism, and Buddhism, strengthening believers and compelling them to share their faith with our post-modern world. Deliver Us From Evil: With clarity and insight, Zacharias shows how many of today's most popular ideas, thoughts, and beliefs are vandalizing our culture. He shows how it is there, "in the depths of our innermost being, That the work of God changes what we want to do. This is not an ethical system calling us to civility. This is the transforming work of the grace of God, who calls us His children." He shows how: Secularization has led us to a loss of shame, generating evil even against those we love Pluralization has led us to a loss of reason, generating evil toward those we choose to hate Privatization has led us to loss of meaning, generating evil against ourselves New Birth Or Rebirth? Jul 03 2021 Ultimate truth. The destiny of souls. The individual heart. Can Krishna and Jesus agree on anything? This is what Subramaniam, a real-life Hindu of the twentieth century, wonders as he enters a fictitious conversation between two religious figures who have changed the lives of millions. As Jesus and Krishna respond to each other's view of life and the afterlife, they speak words straight from the texts of Christianity and Hinduism and straight into the soul. Subramaniam asks Jesus and Krishna hard questions about faith. Meanwhile, a fictional character, Richard, eavesdrops, asking himself the most important question of all: Does it really matter what I believe? From the Hardcover edition.

Beyond Opinion Sep 24 2020 A definitive master work from the world's leading Christian Apologist. Respected apologist Ravi Zacharias was once sharing his faith with a Hindu when the man asked: "If the Christian faith is truly supernatural, why is it not more evident in the lives of so many Christians I know?" The question hit hard, and this book is an answer. Its purpose is to equip Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion. In addition to writing several chapters himself, Ravi Zacharias brings together many of today's leading apologists and Christian teachers, including Alister McGrath and John Lennox, to address topics present in the very future of worldwide Christianity—from the process of spiritual transformation to the challenges posed by militant atheism and a resurgent Islam. Destined to become a classic, *Beyond Opinion* is a touchstone that will affect Christians around the world.

Has Christianity Failed You? Nov 07 2021 In 2006, Ravi Zacharias International Ministries (RZIM) held an open forum at the Fox Theater in Atlanta to address the subject: "Has Christianity Failed You?" Tickets were sold for the event and—to the complete surprise of everyone—the event was sold out with a capacity crowd of over 5,000. People lined up offering to buy tickets from folks in line for higher prices. Before the event, an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time. One answered that, because of a Christian's rejection of his gay lifestyle he had done just that. Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church. Others had their own reasons. Some said it was just intellectually untenable in an age of reason. They chose to come to the event to judge if there were adequate answers. It is estimated that for every one person who writes a letter or attends an event, there are one thousand who agree. If the Atlanta crowd was any indication, the

question is real and troubling. Why is it that many live with silent doubt, many leaving the "evangelical fold" for something else? Is there something wrong with the message, the communicator, the hearer . . . or is it all three? It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing. In fact, the son of a prominent US Senator phoned me with that very question. "Why has God made it so hard to believe in Him?" Such skepticism is not just representative of the hostile; it also represents many honest questioners. This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so. More to the point: Why it is actually so hard to deny God and still make sense out of life? In the end the answers should be both felt and real, with the added truth that God is nearer than you think. He desires that we sense Him very near to us and not distant. But closeness comes at a cost just as any relationship of love and commitment does.

Seeing Jesus from the East Study Guide Aug 24 2020 In the West, Jesus is usually seen through one lens, that of logical reasoning and linear thought. As the world becomes smaller and more people are brought to our door, a broader view of Jesus is needed, one that can be grasped by Easterners and can penetrate the hearts and imaginations of postmodern Westerners. In the Seeing Jesus from the East Study Guide, a companion to Seeing Jesus from the East and the Seeing Jesus from the East Video Study, Ravi Zacharias and Abdu Murray capture a revitalized gospel message through an Eastern lens, revealing its power afresh and sharing the truth about Jesus in a compelling and winsome light. Incorporating story, honor, vivid imagery, sacrifice, and rewards, the Seeing Jesus from the East Study Guide equips readers, both Eastern and Western alike, for a fresh encounter with the living and restless Jesus.

I, Isaac, Take Thee, Rebekah Aug 04 2021 In the twenty-fourth chapter of Genesis a beautiful young woman offers assistance to a weary traveler and his camels, and out of that simple action, a marriage results--a marriage that offers profound lessons to couples today. Bible scholar and renowned speaker Ravi Zacharias draws five points critical to the long-lasting success of every marriage from the biblical story of the marriage of Isaac and Rebekah. "Real love folds together both the emotions and the will," writes Zacharias. "Without the emotions, marriage is a drudgery; without the will, it is a mockery." Building upon that foundational truth, Zacharias goes on to explain the principles of seeking the counsel of others when finding a mate, cherishing your partner, remaining pure, becoming a man or woman of prayer, and, finally, risking everything in a relationship in order to experience God's ideal for love. Couples everywhere, from those about to be married, to those who have been married for decades, will draw strength and wisdom for the journey of marriage as they learn from Ravi what it means to move from romance to lasting love.

Why Suffering? Apr 12 2022 Why would a loving and powerful God allow so much pain and suffering? In *Why Suffering?* Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear, comprehensive, and convincing answer. Responses like: Where there is the possibility of love, there has to be the reality of freedom, and therefore the possibility of pain. Wishing God had made a different world is to wish yourself out of existence. The cross is the key to a compelling and rational explanation for trusting in God in the face of suffering. In comparison with other world religions, the Christian response is highly distinctive. The reality of evil only makes sense in light of the reality of divine goodness. Relational knowledge about God takes the argument beyond reason to the presence of God amidst suffering. God's decision to allow temporal suffering is understandable when viewed from an eternal perspective. Divine goodness shows how to conquer not in spite of, but even through suffering. Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God. *Why Suffering?* provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.

Why Jesus? Oct 18 2022 The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a "perfect storm" to redefine for popular culture what has been for centuries the classic biblical definition of the person, work, and teaching of Jesus Christ. In *Why Jesus?*, Ravi Zacharias looks at the impact of this "storm" by discussing the 60s-70s "Age of Aquarius," actor Shirley MacLaine's book and TV series *Out On a Limb*, author James Redfield (*The Celestine Prophecy*), Rhonda Byrne (*The Secret*), Dan Brown (*The Da Vinci Code*), and other books by Eckart Tolle, Wayne Dyer, Deepak Chopra, the Dalai Lama, and Marianne Williamson. Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like: the belief that we are all gods and have to

discover our divinity; Jesus was only a good teacher; Christianity is but one among many ways to eternal life; reincarnation is real; Jesus was married; truth is relative; there is no sin; and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity.

Jesus Among Other Gods Dec 08 2021 You can't be friends with God if the God you believe in doesn't really exist. You can't depend on God if your God is a figment of your imagination. In a world full of gods, how do you know Jesus is real? You have probably heard things like: All religions lead to the same God. All faiths teach the same things. It doesn't matter what you believe--just that you believe sincerely. But Jesus said that: He alone is the way to God. He alone shows us the truth of who God is. He alone gives us life close to God. In this youth edition of *Jesus Among Other Gods*, Ravi Zacharias gives solid evidence as to why we should choose Jesus Christ as THE God among all other gods. Zacharias contrasts the truth of Jesus with the founders of Islam, Hinduism, and

Buddhism, providing strong descriptions of each faith and solid defenses for the cause of Christ. In addition to the religion comparisons, the book answers questions such as: "What about all the hypocrites at church?" "How scientific is science?" "How can you best share what you believe?" and "Does the Bible teach reincarnation?" You can never be too young to learn how to defend your faith . . . and this book will tell you exactly how to do just that!
