Chasing Flames Dec 08 2021 Waitress, Symphony Porter's obsession with fire has made her a target for distrust and rejection. She's broke and with her home weeks away from foreclosure, she's eager to drive to Key West to claim an unexpected inheritance. Symphony arrives in town expecting a quick exit, but soon stumbles into trouble-to include six feet three inches of scorching hot danger to her heart. With time running out, the last thing Symphony needs is a handsome investigator hot on her trail. Fire investigator, Nathan Zachary has had enough relationships crash and burn, that he knows at first sight that Symphony is the woman for him. He's ready to make the saucy waitress a permanent part of his life, but a series of random fires puts Symphony on a collision course with Nathan's case. As the spark of attraction ignites between them, so does the danger and suspicion. Nathan is everything Symphony's ever wanted, but she's learned good things don't last for long. To make matters worse, someone in town knows her secret. As the evidence mounts, how will these two fiery lovers learn to trust and uncover the truth before their happily ever after goes up in flames?

The Oxford Handbook of European History, 1914-1945 Oct 14 2019 The period spanning the two World Wars was unquestionably the most catastrophic in Europe's history. Despite

such undeniably progressive developments as the radical expansion of women's suffrage and rising health standards, the era was dominated by political violence and chronic instability. Its symbols were Verdun, Guernica, and Auschwitz. By the end of this dark period, tens of millions of Europeans had been killed and more still had been displaced and permanently traumatized. If the nineteenth century gave Europeans cause to regard the future with a sense of optimism, the early twentieth century had them anticipating the destruction of civilization. The fact that so many revolutions, regime changes, dictatorships, mass killings, and civil wars took place within such a compressed time frame suggests that Europe experienced a general crisis. Indeed in the early 1940s both Charles de Gaulle and Winston Churchill referred to a 'thirty years war'. Why did so many crises rage across the continent from 1914 until the end of the Second World War? Why did the winds of destruction affect some regions more than others? The Oxford Handbook of European History, 1914-1945 reconsiders the most significant features of this calamitous age from a transnational perspective. It demonstrates the degree to which national experiences were intertwined with those of other nations, and how each crisis was implicated in wider regional, continental, and global developments. Readers will find innovative and stimulating chapters on various political, social, and economic subjects by some of the leading scholars working on modern European history today.

Her Bodyguard Jan 21 2023 By USA Today Bestselling Author, Lexy Timms. His security company is the hottest on the market, but that doesn't mean his job is easy. Ethan Stark has three rules: Never get personally involved. Never get blindsided. And never screw around. Ever. His Special Forces background, coupled with his family's resources, have made him successful, but they didn't prepare him for the politician's daughter with a body that could make grown men weep, and an attitude that puts his teeth on edge. He's agreed to guard her as a personal favor to her father, but he's beginning to wonder how long he can put up with her spoiled brat ways. That is, until she sets her seductive sights on him. Now he's got to keep her safe from a mystery threat while keeping it in his pants. Sometimes he thinks facing off an entire army would be easier... Price of Passion Oct 18 2022 By USA Today Bestselling Author, Lexy Timms. Love like you're never counting the cost. Bethany Walker's identity isn't so secret anymore. When the Sterling family discovered who she really was, she lost her chance at avenging her father. Worse, instead of getting revenge, she's fallen for Kirk Sterling, the billionaire banker she should have ruined. Now, all she wants is to make amends for breaking Kirk's heart. After finding out that Bethany lied about her identity, Kirk Sterling is furious. He wants nothing to do with her, until a chance encounter makes him reassess everything he believes about her. Even though she's the daughter of his greatest enemy, Kirk finds himself giving in to temptation. Soon, he's sneaking around with her, and keeping their rekindled fling a secret from his ruthless family. But the more they see each other, the closer they get to their secret fling being exposed. One wrong move could start the bitter feud between their families all over again. Can Bethany and Kirk finally learn to trust each other, or will betrayal tear them apart? Cellular Obsession Oct 26 2020 Mobile Will Change Everything - Again Our love affair with our cell phones will grow even stronger over the coming years. A recent study from PEW University says over 44 percent of us have slept with our cell phones. Honestly, cell phones are changing the way we live, work, shop, receive news and other information. The majority of Americans under age eighteen don't know what a landline is, and have never lived in a home that had one. It's all part of a trend created by the introduction of the first smartphones. We are shifting to a culture of internet on the go. Users want to be able to access the internet wherever they go--on the beach, at work, in planes, cars, and automobiles. Cellular companies are responding by dishing up larger data packages at ever faster speeds. Within the next five years it is likely all carriers will offer unlimited high speed data. Municipalities will run fiber optic cable in most metropolitan areas, offering free WiFi hot spots in direct competition with cable companies and cellular providers, and home WiFi could easily become a thing of the past. The wired home is fast evolving into the wired planet.

Heatstroke Mar 31 2021 'Barkworth is excruciatingly good... The Billionaire's Touch Feb 16 2020 A Wall Street Journal bestseller. After a troubling childhood, wealthy Evan Sinclair likes his life orderly and controlled. He rarely gives in to spontaneous urges--until he begins a chance correspondence with a mystery woman who sounds like his complete opposite. She intrigues and amuses him, and the interest seems mutual...which is more than he can say for his current obsession, Miranda Tyler, the tough-as-nails, sexy schoolteacher who's made it clear she's not impressed--or interested. Miranda finally has it all: a good job, friends, and the security of living in the quaint coastal

town of Amesport, Maine. She even has an anonymous pen pal--a man she's never met yet has bonded with almost effortlessly. The only thing unsettling her life is Evan Sinclair. The handsome billionaire is arrogant, pompous, and far too used to getting his way. Miranda tries her best to avoid him, until Evan's steamy kiss turns her world upside down. Soon their red-hot desire is scorching the sheets and has them both spinning out of control. But when secrets are revealed, will their insatiable attraction keep them together or force them apart? In J.S. Scott's *The Billionaire's Touch*, the eldest Sinclair just might have met his match.

Flirting Touch Nov 26 2020 Don't get drunk at a party after just being dumped by your long distance boyfriend. Don't go hitting on the hottest guy at the party. Even if he looks 10 years younger than you. Even if his name's Hunter. DON'T sleep with him when he returns your flirting. Hunter is not the relationship kind of guy. You can tell just by looking at him. Too hot, too delicious, sexy as hell and bad boy written all over his handsome face and muscular tattooed body. He's reckless, dangerous and trouble with a capital T. He's also at least 10 years younger than me. And I don't even remember his last name. Flash forward to Monday morning work—where I'm still nursing the hangover from Saturday and my body is still feeling the effects of the best one night stand I've ever had—and my boss calls me into his office. Apparently his son has just returned from university and is going to be stepping into the company. My boss wants me to personally train him. Make him the best of the best. It's Hunter. Hot Sauce Nation Nov 07 2021 *Hot Sauce Nation is a red-hot ride through the story of hot sauce in America. Why should the world's most painful food have inspired such adoration in the USA? While chili pepper-based sauces have transformed cuisines worldwide, successive waves of immigrants landing in the New World have turned up the heat on the American palette with their native pungent sauces. Today, the fast-growing hot sauce industry has made it into everything from salsa to barbecue, buffalo wings, chocolates, and cocktails, inspiring passionate romances and changing people's lives along the way. With fascinating detours into science, history, and current events, as well as stories of the people who make, use, sell, and love hot sauce, this flavorful volume explores the unique hold the condiment has on the American heart.*

See Me Jan 29 2021 *"Sometimes the heart sees what is invisible to the eye." Bree was the type of woman who relished in the joy of her existence. She was always outside, she surfed, painted and helped out at local charities. She had a ton of friends and she was in a serious relationship. Until her life came to an abrupt halt. After a bad breakup, she was in a car accident and she lost her sight through blunt force trauma to her face. She should have counted her blessings, she knew that. She could have lost her life. But suddenly, everything is drenched in black. She knows the beauty of the world is out there, but she can't reach it. And she hates her life, now. No matter how hard her friends and her father are trying to help her live again. When her father hires a caregiver to look after her, Bree's furious. She needs her sight back, not a babysitter. And damned if she's not going to spend every minute resenting it all and hating her life. Finding His Obsession - Complete Series May 21 2020 There have been very few times in Bailey's life that she remembers being happy. From growing up in the foster system to graduating high school. There were no happy words of encouragement for her. After a series of tragic events, Bailey closed herself down. If she didn't care about anyone, she couldn't get hurt. Then one night everything changes. He walks through the door of the diner. With eyes the color of the ocean, she feels like he can see every little secret she's trying to keep hidden. The second he speaks, the deep timbre of his voice sends a rush of excitement through her unlike anything she's ever felt before. There is something about him; something dark and sexy. The pull she feels is undeniable. The burning ache he starts in her body with a simple look is unbearable, but who is he? Bailey never could have guessed that the night Ellington Rosswell walked into her life was the night that nothing would ever be the same again.

Fanaticus Aug 24 2020 In 2011, the San Francisco 49ers hosted the Oakland Raiders in a preseason matchup that would become a seminal moment for fan violence. During the game, seventy fans were ejected from the stadium, one person was beaten unconscious in the men's room, and two men were shot in the parking lot after the game. This is hardly an isolated incident. At any given game, fans get kicked out and arrested for acting out. In the spring of 2014 alone, soccer headlines screamed of a fan killed in Brazil, a supporter who punched a police horse in England, and three fans shot in Italy. But why do fans resort to such violence? What drives them to abandon societal norms and act out in unimaginable ways? Fanaticus: Mischief and Madness in the Modern Sports Fan explores the roots of extreme fanaticism, from organized thuggery to digital hate speech. Justine Gubar divulges outrageous and often shocking incidents, including first-hand accounts from both the transgressors and victims. Gubar reaches back into ancient times, providing a history of fan violence throughout the ages before delving into events of misbehavior, violence, and hatred in the United States and around the world. She revisits several notorious riots and tragedies throughout the United States, Europe, Asia, and Latin America in order to understand mayhem on a global scale. In addition, Gubar investigates the sports leagues

and the security and beverage industries so as to explain the roots of fan misbehavior and to dispel common myths that are often invoked to understand the madness. Featuring original interviews with European football hooligans, rioting college students, stadium security experts, and many others, *Fanaticus* provides a rare window into what drives human behavior. Together, these voices create the fullest picture of modern fan violence ever written.

Deadly Obsession Sep 17 2022 'LOVED LOVED LOVED LOVED this book! Seriously exceeded ALL expectations and then some.' She receives a mysterious letter detailing a list of suspects including Riley's sworn enemy, actor Grant Wilson. But with an obsessive passion brewing between her and Grant and a dangerous assassin trailing her every move it would seem Amy has opened a deadly and tempting Pandora's Box. In settling the score for her husband has Amy put herself into terrible danger? A sizzling story of deadly secrets, perfect for fans of Tasmina Perry and Victoria Fox. Read what everyone is saying about *Deadly Obsession*... 'Thrilling, sexy and utterly compulsive, *Deadly Obsession* is a red-hot, white-knuckle joyride of dangerous glamour and delicious revenge. Jackie Collins meets Martina Cole in this latest offering from the King of the Bonkbuster. It's gritty and it's glorious and I adored it.' Victoria Fox 'Nigel's fourth bonkbuster brilliantly fills the void left by Jackie Collins. A racy tale full of intrigue and innuendo, it's glamorous and shocking in equal measure.' New Magazine 'The mystery, drama and suspense of this book will keep you on the edge of your seat and will keep you glued to Nigel's every word. I am totally speaking from experience! I could not put my kindle down! Nigel also writes an incredible and steamy romance that will have you blushing for chapters on end! ... I totally LOVE Nigel!' Steph and Chris's Book Reviews 'An utter page-turner. Shock, anger, sadness *Deadly Obsession* literally has it all! If you are looking for a book that will keep you on your toes but has the added bonus of being a glam bonkbuster then I can't recommend *Deadly Obsession* enough.' Lozza's Book Corner 'The king of the bonkbuster is back with this new enthralling book. If you like your books full of sex, deceit, suspense, surprises and hidden revelations than *Deadly Obsession* is definitely the book for you. *Deadly Obsession* hooked me from the first few pages ... The last quarter of the book was unputdownable' Rachel's Random Reads 'A delicious cocktail of grit and glamour with a kick that'll leave you desperate for more!' Matt Cain 'I found myself reading faster the further into the book I got and then slowing down so I wouldn't miss any of those delicious details that made the book what it was.' Strong Reviews 'After reading heavy book after heavy book, I needed this. Nigel May has the potential to fill the smut writing shoes of Jackie Collins. His latest adventure was heavy on the suspense, the drama, the danger and the uber-descriptive bedroom scenes. Just may need a tall glass of cold water to cool down before moving on to the next book.' Fluff Smut and Murder 'I couldn't wait to read this one to see if it lived up to his previous books. I can honestly say it did, and then some . . . when all was finally

revealed it was the perfect ending. I love this authors books' Fiona's Book Reviews _'What a delightful, fun and HOT story!' Books, Babies, Being

The Appointment Nov 14 2019 Emily Hearst I finally did it...I made an appointment to see a sex therapist. If seeing a sex therapist to finally deal with my intimacy issues is what it takes, then so be it. My therapist, Dr. Anderson, is the best in his field...and he's my only hope. The only problem is that he's intensely gorgeous. And ever since we met, I can't stop fantasizing about him. I should be focused on my therapy, but instead, I'm envisioning Dr. Anderson shirtless and chopping wood with an ax. Oh God...He's so hot, I can't stop staring. Is it possible to be too sexually attracted to someone? Truth be told, the chemistry between us is off the charts. The big question is, can I discuss my intimacy problems with him? Or did I make a huge mistake coming here? Dylan Bradford I have a confession to make...I'm not who I say I am. Emily thinks I'm Dr. Kevin Anderson, her therapist...but I'm not. When she mistook me for him, I found it slightly amusing at first, but now, not so much. This is wrong on so many levels...I need to tell her the truth. Come to think of it, if Emily needs someone to talk to, it can't be Dr. Anderson-he has a bad reputation for exploiting his patients. Hell, that loathsome man would leap at the opportunity to lure her in with his 'low monthly payment' gimmick. Uh-uh, no way, not on my watch! Maybe she should talk to me instead. I'm not a trained psychologist, but I've been told that I'm a good listener. I would be happy to lend an ear or a helping hand...I'd do anything to keep her from harm. Just when I thought I had it all under control...things start to unravel. And then, suddenly, I get this crazy idea. I don't just want to keep her safe, I literally want to keep her. Forever. Because let's be honest, making her mine is the only way I can ensure that Emily's always safe and protected. This is a steamy insta-love, over-the-top romance book with a happily ever after and no cheating. "Your kindle might melt after you read this hot book. You've been warned!" Julie ☐
